

District 22B History Easter Shore of Maryland

Volume Four
2005-2024

We Serve

Compiled and written by:

PDG Joseph P. Wood, Sr.

Dedicated to the Lions of Maryland's Eastern Shore who have faithfully served the people of their communities and have enriched their lives. It is especially dedicated to those Lions who have gone to a higher plane of existence and who gave so much to Lionism.

Stevensville, MD 21666
pblee@crosslink.net

Cabinet Treasurer
Alvin Helfenbein
100 Helfenbein Lane, Suite 200
Chester, MD 21619
alvin@helfenbein.com

The Lions Clubs International theme for this year was “Passion to Excel”. The Lions of District 22-B certainly exhibited this passion in 2005-2006. While continuing with our primary mission “To Serve”, we also acted with a passion to fine tune our organization and improve our ability to have a positive impact on the lives of our fellow man.

The Lions of 22-B are known for their willingness to be generous with their gifts of time, energy, and money in times of need. Early in the year, they showed their generosity when Hurricane Katrina hit the Gulf coast. Several clubs gathered supplies and sent them to the area. When we learned that what was needed most was funds, we responded by contributing \$30,000 through the District 22-B Charitable Foundation, plus at least another \$10,000 that went through other organizations. Several Lions from our District traveled to the Gulf region to lend a hand on site.

Our Leader Dog Dinners were once again a success under the able leadership of Lion “Smitty” of the Galena Club. Once again, we had 100% participation from our clubs, and over \$30,000 was sent to the Leader Dog School.

For the second year, we had a Lions Vision Research Foundation Dinner in District 22-B. The guest speaker was Dr. Shirin Hassan of the Lions Low Vision Center at the Wilmer Eye Institute. A special testimonial was given by Melissa Rust, who displayed the new JORDY device, paid in part by the Lions of 22-B. In her words, “I can now see your individual faces, not just a bunch of people.” Again, over \$30,000 was collected to assist the work done at Johns Hopkins in eye related research.

A revised criteria for club awards was initiated this year, called the Five Star Award, emphasizing excellence in five areas: Administration, Membership, Community Service, Information, and District Activities. One of the goals for the year was for each club to strive for this award. In fact, 27 clubs earned the Five Star Award, 7 clubs went further and earned the Governor's Excellence Award, and 23 Special Achievement Awards were presented. Overall, the system was well received and several clubs used the award system as a guideline for their activities for the year.

The work of our Club Secretaries is of paramount importance in the functioning of our clubs and the District. This year, the 100% Club Secretary Award was presented to 40 of our 51 secretaries. In addition, two special awards were given, the MOM (Mentor of Mentors) Award to PDG Dorothy Culver and the DAD (Dedicated and Devoted Service) Award to PDG Dal Mann. These awards were in recognition for the tireless service and leadership given by these two individuals during the year.

Several Presidential level awards were presented to our Lions during the year. At the District 22B Social in March, four Presidential Certificates of Appreciation were awarded as follows: Region Chair Jack Griffith, Elkton King Lion Paul Schneiders, and to two Lion couples - Lions Brian and Kimberly Gadow, and Lions Beth and Craig Whitelock. Additionally, three Presidential Certificates were presented at the MD 22 Convention: IPDG Dal Mann, PDG Joseph Wood, and Cabinet Secretary Peter Lee. Finally, Lion Dink Scurto was the proud recipient of a Presidential Leadership Medal from IP Ashok Mehta.

Another District goal for the year was to have each club participate in "dirty hands" projects, that is to get involved personally in activities. Much was accomplished in this vein, including cleaning up highways and beaches, working on Habitat for Humanity homes, going to the Gulf Coast to help with Katrina relief, collecting items for our wounded troops overseas, working on youth community days, and many others. Somehow, a project seems more meaningful when we have our "sweat equity" on the line.

A goal was set at the beginning of the year to have at least half the clubs sponsor a Peace Poster Contest. Unfortunately, only 12 entries were forwarded. However, the quality of the entries was superb, and our District winner, sponsored by the Perryville Lions Club, also won at the Multi-District level, and went on to the Lions Clubs International contest at Oak Brook, IL.

Perhaps the biggest disappointment of the year was in the area of membership. The goal was to have a plus one in membership in each club, and an increase in one club. Unfortunately, by the end of the year, our membership was down a total of 41 Lions. While several clubs had a net gain for the year, even more had a loss, in several cases of five or more Lions.

On the brighter side of membership, District 22-B gained two new Branch Clubs, the Cecil County Guardian Branch of the Elkton Lions Club, and the Ocean Pines Branch of the Berlin Lions Club. Also, we gained two Leo Clubs, one sponsored by the Salisbury Host Lions Club and the other jointly sponsored by the Ocean City and the Berlin Lions Clubs.

Orientation is an important part of welcoming new Lions into our group, and the Region Chairs were asked to pay special attention to orientation this year. Indeed, several Region and Zone Orientation sessions were held this year, in addition to some outstanding club efforts.

An effort was made this year to have more articles for the Shore Lion News. The response to this effort was somewhat mixed, but two Lions in particular had an article in nearly every issue: Hearing and Speech Chair PDG Bob Kidner and Public Relations Chair Lion Maxine Wheatley. The efforts of all contributors, and especially of Editor Parker Durham, were greatly appreciated.

A final goal for the year was to exhibit the Passion to Have Fun. Aably aiding in this area was Sir Lion, Knight for the Blind. He traveled to many of our clubs, participated in many activities, and even won a prize in the Easton Christmas Parade. Included in this report are several photos of Sir Lion in action.

Our District social, An Evening in Camelot, was held in a new location at the Hunter's Oak Country Club. We were very fortunate to have International Director Clifford Heywood and his wife Helen as our guests. It was a very memorable evening, from Director Heywood's inspiring talk with a multi-media presentation to the decorations provided by the Kent Island Lions Club to the few extra gusts of wind that kept everyone on their toes. Many thanks go to Lion Chris Dominick and her committee for their fine effort. A file of photos from the Social accompany this report.

There were a few more items that should be noted. The MERL Workshops continued using the format begun the year before and were very successful. Some of the ideas generated by the Lions of 22-B during these meetings are listed in the December Shore Lion News accompanying this report.

Under the leadership of PDG Dal Mann and Lion Dink Scurto, our District had a Roaring Lions class for the first time in a several years. VDG Rodney Dobson was our winner in a closely contested speak-off. District 22-B had some entries in the Lions Environmental Photo Contest this year, and the winner at the District level, Lion Colleen Chamberlain of the Perryville Lions Club, also won at the Multi-District level, and had her photo displayed at the Lions Convention in Boston.

Also at the Convention in Boston, we were able to help with the campaign of PDG Joe Gaffigan from District 22-C, and see him get elected and sworn in as a new International Director.

I was very fortunate to have two Lions from my club, the Kent Island Lions, to serve on our cabinet, Cabinet Secretary Peter Lee and Cabinet Treasurer Al Helfenbein. Together with VDG Rodney we traveled all over the Eastern Shore to places we did not know even existed (Thank heavens for my new GPS.) Their time, efforts, energy and advice were greatly need and appreciated.

Finally, on a personal note, I would like to thank all the Lions of District 22-B for the hospitality and kindnesses shown to me and First Lady Karen during this past year. It has been an honor to represent such a great group of Lions on the Eastern Shore of Maryland. If I have been able in some small way to make our District stronger, I will consider my tenure as your District Governor to have been a success. Thanks to you all.

Yours in Lionism,

John A. Lawrence
District Governor, 22 B
2005 - 2006

District Governor's Final Report

DISTRICT 22-B FINAL REPORT 2017-2018

August 4, 2018

The year started in early July 2017 at the International Convention located at Chicago, Illinois for the 100 year celebration of Lionism and ended in Las Vegas, Nevada at the end of June 2018.

We did recruit 135 new members, however we dropped 172 members for a minus 37 members for the year. The opening balance was 1,334 members and the closing balance was 1,297 members in the District. Club charters were surrendered from the Port Deposit Lions Club and the West Side Lions Club. A total of 9 of those members did transfer to other clubs in the District.

A new Leo Club was chartered and sponsored by the Deal Island-Chance Lions Club.

All of the 46 clubs received an official visit from the District Governor, Cabinet officers and Zone Chairs. The New Service Framework designed by LCI was promoted in the presentation. The Global Action Team structure was also promoted. A copy of the presentation is enclosed with this report.

In August 2017 we conducted 4 Officer trainings and 1 Zone Chair training. We also copied these trainings in June of 2018. We also schedule 4 new membership orientations in the late spring. I am proud to announce that they were all a great success.

Several Clubs did participate in the Peace Poster Contest. The winning entry was from the Easton Lions Club.

We held our first banner transfer for the District. Half of the clubs were present with approximately 100 in attendance. Were pleased with the event and scheduled again in August of 2018.

LCI set a goal for LCIF donations at \$24,000 for the year from our Clubs. Our LCIF Chair, Lion Frankie Bennett and myself set a personal goal of \$22,000. We raised for the District \$22,676.00.

By two fund raising events, Club donations, Aim for Sight and other donations, \$34,159.00 was donated to LVRF.

Two fundraiser dinners and other donations, \$20,884.00 was raised with 100% of all clubs participating for Leader Dog for the Blind.

The All Star Soccer game, sponsored by the District was held in Snow Hill on November 21st.

The District Governor Social was held on March 3 at the Milestone in Easton. Mother nature tried to dampened the event, however with the guest speaker International Director Gwen White and an attendance of 227 it was a great success. The Social produced a net of \$5,400.00 that included a silent auction. The proceeds were donated to the 22-B Charitable Foundation.

As previously mentioned I have enclosed a copy of the DG Official address to the Clubs, a list of Cabinet Officers, Committee Chairs and Zone Chairs. All fund-raising backup information is also included.

Respectfully Submitted

IPDG Jeff Beever

Perryville Middle (Region 1, Zone 1)

Advisor/Liaison: Michele McKay

Delicina Creswell

Somerset Intermediate School (Region 4, Zone 1)

Advisor: Craig Whitelock

District Governor's Final Report

All good things must come to an end! I say this with sincerity and much gratitude. It has been an honor to serve as your District Governor. I think back to this same time last year and remember the feelings of excitement, uncertainty, and apprehension all rolled into one! But with the support of my cabinet and the Lions of 22B, serving as DG is something I would not have missed. It has been an experience of a lifetime.

Club visitations had to be one of the highlights of the year! Learning firsthand about clubs's projects and plans and witnessing the enthusiasm and compassion of my fellow Lions cannot be found in data and reports.

As of this writing our membership growth is very encouraging! Let's hope that continues and we end the 2023-2024 year on a positive note. Our service reporting has risen to 88% and we have added District wide service projects, including collecting pull tabs and paper products for the Ronald McDonald House and the collection of pill bottles for Matthew 25 Ministries.

At the beginning of the year, we challenged ourselves to improve communication. The introduction of our new website 22blions.org. has been a huge asset. We now have a convenient place to find roster books, club officers, news, events, and much more. Recently we added Constant Contact which will lessen the frequency of daily emails, instead adding important district and club information in an efficient format. In the coming months it can become an important marketing tool as well!

Increasing member recognition has been another important goal. We tried to accomplish that with Kudos in the District Newsletter, recognition at cabinet meetings and visitations, notes, District certificates, challenge coins, King Lion awards and Shining Star Awards. Quite honestly every Lion in 22B deserves recognition!

If I can offer one piece of advice to my fellow lions, take a chance, dip your toe, or put both feet in the water! Step forward and serve as a committee chair or officer in your club! Then consider serving at the district level. There are many opportunities to chair a committee and then as Vice District Governor to ultimately District Governor. Our District needs you in order to survive and thrive! I promise you will not regret it! There are so many Lions who are great mentors who will help guide you along the way! You will not be alone!

In closing dear Lions, never doubt your worth, never doubt your mission, never doubt you do indeed change the world!

Thank you for all you do for your communities,

Kathy Crockett

2023-2024 22B District Governor
