## **President's Message Changing the World with International President Dr. Patti Hill**

---

### **Dear Lion,**

What an incredible year it has been. A year ago, I asked you to commit to changing the world by setting bold, ambitious goals to meet the needs of our neighbors, our communities and our world—and you did!

I loved seeing the diversity of our clubs, members and service, and I wish I could have met every Lion and Leo because you are so inspiring. Your innovative ways of serving people and your passion for protecting the planet are at the heart of what it means to be a Lion.

The Lion year may be coming to an end, but our service continues. So, reflect on the impact of your service and the people you served—those unforgettable experiences are why we serve—then let's get ready to take up new roles and create new opportunities to help more people in need. Let's invite even more service-minded people to share the joy of being a part of Lions International.

It has been my greatest honor to serve as your international president. Thank you for an extraordinary year.

Yours in service,

**Dr. Patti Hill**  
**International President**

### Sharing the joy of serving

Remember to [report your service](#) so you can share your joy, your pride and the incredible impact that you and your club are making as Lions. Please report all club service by **July 15**.

You can also join Lions and Leos around the world who are sharing their excitement about new members and new clubs on [social media](#). Highlight your new members with #MissionToGrow and tag @lionsclubs so you can show your community you're on a mission to grow!

### Shine a light on your club!

When you shine a light on your service, you inspire others to join you. Marketing can help you connect with new people, new neighborhoods and new members. You can find customizable resources to promote your club on the [Marketing Matters](#) page, and check out the [Marketing Matters Award](#) for details on how you can be recognized for great marketing.

## Lions in the Philippines restore coral reefs

After a devastating typhoon in Cebu destroyed 80% of the coral reef, Lions dived in to restore their coastal environment. Lions teamed with marine biologists, divers and volunteers to build artificial reefs and place them in the sea.

Watch [Save our Seas](#) to learn more about how Lions are working to restore the coral reef for future generations as part of our #LionsGoGreen initiative.
